

SC Microinvest SRL

Loans and business advice for entrepreneurs, small businesses, and loan groups

MOLDOVA

SC Microinvest SRL (Microinvest) provides micro lending and enterprise development assistance to small entrepreneurs in many areas of the Republic of Moldova. A large number of Microinvest's borrowers are rural private entrepreneurs. Moldova is a landlocked country situated between the Ukraine and Romania. Microinvest is one of the leading MFIs in Moldova, and has its headquarters in Chisinau. Combined with the several regional offices, Microinvest is able to cover most regions across the country. Microinvest's financial products consist of small business, consumption and group loans. When required, the company also provides financial and business advice to small and start-up businesses. Oikocredit has invested equity capital in Microinvest and also lends to them. Over the years, the company has demonstrated being committed to meeting its clients' needs and doing business responsibly. It has implemented good internal processes and procedures that allow it to work efficiently. Through Microinvest's financial services, borrowers are able to create or sustain their businesses and thereby improve their living standards.
