

Cafe de Altura de San Ramon Especial S.A.

Linking Costa Rican small-scale coffee growers to markets

Café de Altura is an award-winning private company dedicated to stocking, milling and commercialising conventional and speciality coffee. The company belongs to shareholders who are mainly small-scale coffee growers from the canton of San Ramón in Costa Rica. Café de Altura first partnered with Oikocredit in 2019.

Costa Rican small-scale coffee growers face challenges in gaining access to bank financing and markets.

Café de Altura sells its high-quality coffee to national and international niche markets. Its coffee producers benefit by receiving training in good agricultural practices, crop management, disease prevention and environmentally friendly production methods.
